Dedication
Mr. Gulotta

To a teacher who expects the most from his students, because that is what he gives.

To a coach who gives 110% to his teams and deserves the same in return.

To a friend who has greatly contributed to our growth and understanding toward life.

As a teacher, a coach, a class advisor and most importantly a special friend, we the class of 1988 dedicate this book to Mr. Bill Gulotta.

n this dorm live the most distinguished boys on campus; the illow Warriors and the members of the Naked Jogging Club. he boys end their nights, late nights, with an "Oh Yeah" from chwartzi, or maybe a "Hey Achtmann." An overall thanks go to Mac for opening a new smoking area.

GODMAN DORM

Schwartz, Levitt, Rosen, Ossen, Wilkins, Kline, Levin, Durbrow.

Godman dorm was known for its cold showers, lenient dormheads, and its overall quietness. This year it changed; there were sing-alongs in Culhane and Beda's room every night, and there was even a Tupperware club. The seniors stuck in Godman actually had a good time, except for the strange noises heard from room 12, or was that just Avery strumming on her guitar?

EIPPER DORM

These Eipper girls are some group this year. They all seemed to be stepped already, and for what? Smoking in the little girls' room, of course. It led to the infamous cigarette confiscation. When these girls aren't in trouble they drool over Lingo, belong to the P.J. Fan Club, and circle boys' pictures in the yearbook. Some other, slightly more mischievous things have happened, such as girls' doors getting glued together (now who could be responsible for that?), and rumor has it that tital waves are a popular occurrence. Just a friendly reminder: watch out for Seagal.

1st Row: Race, Piselli, Cooper, Brooks, DeVoti, O'Donnell. 2nd Row: Brown, Swanwich, Cashen, Durbrow. 3rd Row: O'Neill, Bown, Dakin, Long, Hunter, Fentress.

The unsung and unseen heroes of Berkshire, racing time and traffic to get here on time. If all else fails, say you left your homework at home! How do you get such a diverse group together? You can't. Many thanks to all the boarders putting up with D.S.R.'s (Day Student Roommates). And for their loans of clothing or floors to sleep on on weekends.

Despite a shaky start in December and various injuries throughout the season, the 1987-1988 Volleyball team concluded the second best season in the history of the program with a decisive 3-0 victory over Hotchkiss. The team saved its best effort for the season finale as everyone on the team played with confidence and as a unit.

Boys' Varsity Squash

Boys' Squash had a fine season. They compiled a respectable 7-8 record losing to Williston and Kent b 3-4 scores while missing their top-ranked player; otherwise the record might have been 9-6.

Diligent work and good team spirit prevailed throughout the season, and helped to provide a win ove a highly-touted Avon team.

Mark Purnell played a very competitive #1 and capped the year with a quaterfinal showing in the Ne Englands

Class History

The History of the Class of 1988

Sixty-seven students made up the freshman class at Berkshire in September of 1984. Over half remained to graduate.

During the freshman year (1984-1985), the class was led by Dr. David Pollock as Form advisor and President Harry Cohen, Vice President Tracy Keegan, Secretary Kelly Wells, and Treasurer Rafe MacDonald. The class raised $67.00 that first year by selling sodas at track meets during the spring. Because it was not exactly a stunning sum of money, the funds were donated to the library.

The class's drive toward fundraising in earnest and planning activities began to come to life sophomore year. Mr. William Gulotta took over as form advisor - a position he held for the duration of the class's time at Berkshire. Harry Cohen was re-elected President and Rafe MacDonald became Vice President, Erika Sweetland Secretary, and Wylie Potter Treasurer. The class raised almost $1300.00 sophomore year by printing class T-shirts, selling food at the spring carnival and sponsoring various inter-school activities and competitions.

Junior year, Harry Cohen was re-elected President and joined by Vice President John Siegel, Secretary Valerie Mercier, and Treasurer Myles Marks. The class sold exam food care packages, ran the spring carnival, and sent Harry Cohen, Will Borders, and Wally Long as delegates to a student committee to interview potential candidates to replace outgoing Headmaster James R. Moore. The class celebrated its successes at an end of the year banquet attended by the students and selected faculty.

The senior year, the class was well on its way to achieving its fiscal goals of paying for the Senior Prom and leaving the school with a gift. The class's leadership also expanded. Twenty prefects were named, led by Head Prefects Jamie Watt and Valerie Mercier. The Student Body elected Bryan Clark and then Harry Cohen Student Body President. The class was led by President John Siegel, Vice President Nick Quinn, Secretary Marlo Doherty, and Treasurer Tom Kaufman. The class ran a reggae-fest, sold pizza at Shawn's Place, had a slave sale, ran a dance, had a talent show and sponsored numerous weekend activities. For the first time, the school had Olympic Games and sponsored special evening seminars for seniors. Headmaster Thomas S. Lord also gave the seniors many new privileges.

The Senior Prom - the culmination of the class's hard work - was held on May 28, 1988 in the Mae Cadwell Rovensky Field House under the direction of Head Prefect Jamie Watt. The class had raised over $11,000.00 to pay for the prom.

As a gift, the class planted two trees in front of Memorial Hall.

The Class of 1988 of Berkshire School graduated on June 4, 1988 - everyone received a diploma.

TWO POEMS

The Twig

A bird takes flight from a lonely tree,
Shaking a branch as it leaves.
A twig falls to the ground,
resting at peace, until . . .

Two wanting hands grab each end
joining, to become one.
But then,
the twig snaps
and the hands swing their separate ways

and then the bird comes again
to perch in the tree
and wait.

—Matt Leukroth '88

Ancient Rhymes

Ancient rhymes,
Silent mimes,
Ink from the well.
My eyes trace the works,
which one remarks,
The author chose to tell.

For passing times,
Don't forget crimes,
And it gets us in the end.
But this rhyme,
Stood the test of time,
The author it will still defend.

The nib of my pen is dry still,
The ink in the well.
With my mind, with my quill,
I have a whole book to fill.

And I fancy,
He was quite like me,
Yet nothing did he hide.
Shall I write my own verse,
For others to converse,
Or keep it locked up inside.

Ancient rhymes,
In future times,
Will now be mine.
Others will look within,
See my sin,
And understand my crime.

Guidance For Graduates

"...do not be conformed to this world. ...be transformed by the renewing of your mind, that you may prove what the will of God is,...
...I say to every man among you not to think more highly of himself than he ought to think; ...have sound judgement,...
...since we have gifts that differ...let each exercise them accordingly;...
if service, in his serving; or he who teaches in his teaching;
...he who exhorts, in his exhortation; he who gives, with liberality; he who leads, with diligence, fervent in spirit,...
Let love be without hypocrisy. Abhor what is evil; cling to what is good.
Be devoted to one another in brotherly love; give preference to one another in honor;
Not lagging behind in diligence, fervent in spirit,...
rejoicing in hope, perservering in tribulation, devoted to prayer,
contributing to the needs...practicing hospitality.
Bless those who persecute you; bless and curse not.
Rejoice with those who rejoice,...weep with those who weep.
...do not be haughty in mind, but associate with the lowly. Do not be wise in your own estimation.
Never pay back evil for evil to anyone...
Never take your own revenge,...
"BUT IF YOUR ENEMY IS HUNGRY, FEED HIM, AND IF IS THIRSTY, GIVE HIM A DRINK;..."
Do not be overcome by evil, but overcome evil with good."
